Dear Quincy School District community,

It's almost time to begin planning classroom assignments for next year. Here at the Quincy School District, we go through a very careful and thoughtful process to determine the placement for each student for fall.

Our goal is to provide the best possible learning environment for all students. To accomplish this, we will work with your child's current teacher and counselor to determine a classroom placement for next year. We consider many factors during this process including academic needs, social interaction, learning style, gender and any other special needs. In addition, we will focus on forming the best possible combinations for students to work together. Setting up classes is, at best, a difficult and time-consuming task. Our main concern is that we have balanced classes that serve the welfare of all students.

As a partner in our education process, you have valuable insight into your child's needs. In place of a teacher request form, we invite you to complete a **Parent Input for Student Placement Form** on the following page. The information you provide can be valuable help to us with our placement process. Please note, as the form explains, specific teacher requests are not accepted. The mix in the classroom can be unbalanced if we honor individual teacher request. In addition, staffing can change over the summer and specific requests leave no guideline for change. This form is simply a way for you to give input.

While we begin the class placement process in the spring, the class list does not become final until our enrollment becomes stable. We recognize that changes after the school year has begun can be difficult. Please know that while we try to plan ahead, changes in room assignment after the school year has started are always a possibility due to enrollment.

The Parent Input form must be returned by May 3, 2019 for consideration. We appreciate your understanding and respect for the placement process.

Thank you
